WholeBody® Massage Chair

## Control just about everything but your excitement.

Work. Traffic. The dog eating your tax refund. It's impossible to control all of life's stresses, but you now have full control of a great way to alleviate it. The Human Touch® HT-3100 WholeBody® massage chair makes it easy to customize its every movement to satisfy your every whim.

Choose from three newly designed 15-minute auto massage programs - Sore Muscle Relief, Stress Therapy and Back Wellness. Lie back on the ergonomic headrest and let the patented Human Touch Technology® with its rotating foot-and-calf massager kick all that tension and stress to the curb. The HT-3100 precisely follows the contour of your spine to deliver a therapeutic massage that replicates the hands and techniques of an expert massage therapist. And you control it all with the ergonomic remote control. So sit back and relax. With the beautifully designed HT-3100, your comfort, stress and wellness are well under control.
