WholeBody™ Massage Chair

Control just about everything but your excitement.

Work. Traffic. The dog eating your tax refund. It's impossible to control all of life's stress, but you now have full control of a great way to alleviate it. The Human Touch® HT-3300 massage chair makes it easy to customize its every movement to satisfy your every whim.

Choose from three 15-minute auto massage programs - Sore Muscle Relief, Stress Therapy and Back Wellness. Human Touch® WholeBody™ Massage Chairs delivers a therapeutic head-to-toe massage. The patented and proprietary Figure-Eight™ technology used to drive its robotic rollers uniquely delivers a massage experience unlike any other. The foot and calf massager shares these exclusive mechanics, enabling it to introduce oxygen-rich blood to the legs, reviving tired muscles. So sit back and relax. With the beautifully designed HT-3300, your comfort, stress and wellness are well under control.

Art meets state of the art

Beauty goes well beyond skin deep with the HT-3300. This remarkable chair contains the most advanced Human Touch® technology in a sleek, colorful design that fits any room.

ROTATING, MULTI-SPEED FOOT AND CALF MASSAGER

Tight muscles have nowhere to hide. A powerful three-dimensional massage works feet and calves like a professional massage therapist.

4 PROFESSIONAL MASSAGE TECHNIQUES

Target any of the four expert massage techniques to your back's own trouble spots, for powerful, therapeutic relief. Massage techniques include Rolling, Kneading, Percussion and Compression.

POWER RECLINE

With the push of a button, the HT-3300 reclines to a 170-degree angle.

3 INVIGORATING AUTO MASSAGE PROGRAMS

We've even taken the pain out of choosing which massage is right for you. Select from Sore Muscle Relief, Stress Therapy or Back Wellness for a 15-minute program that combines expert massage techniques to treat your specific needs.
