## Beauty, comfort and wellness never go out of style.

Unlike that psychedelic wallpaper in your parents' den, there are some things that stand the test of time. The Human Touch® HT-5005 Robotic Massage® chair features clean, classic lines to complement any home's décor – from contemporary and sophisticated, to traditional and rustic.

The HT-5005 is as effective as it is beautiful. Take a seat, kick back and enjoy a deep, invigorating massage that relaxes and soothes sore, tired muscles from head to toe, restoring the body's natural vitality and sense of wellness. Choose from three invigorating auto-massage programs, which incorporates four expert massage techniques. You can also customize your massage simply at the push of a button. It's time you had a chair your living room and body can depend on for years to come.

Beauty goes well beyond skin deep with the HT-5005. This remarkable chair contains the most advanced Human Touch® technology in a sleek design that fits any room decor.

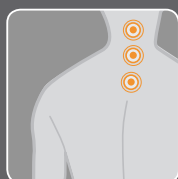

### TUCK-AWAY OTTOMAN / MULTI-SPEED FOOT AND CALF MASSAGER

Massaging calves in an upward, rolling motion, the rotating, multi-speed unit forces blood away from the feet toward the body's core, allowing fresh, nutrient rich blood to re-enter the calves and feet delivering healing and soothing comfort. Only Human Touch offers this patented technology.

### 3 INVIGORATING MASSAGE PROGRAMS

Choose from 3 custom full-body massage programs, to relieve back pain, stress and muscle soreness. You can choose to either add or subtract the foot and calf massage from the program.

### PENETRATING NECK MASSAGE

Simply removing the head pillow reveals an intelligently placed cloth soft window that enables the HT-5005's advanced massage system to deliver a vigorous yet soothing massage that unwinds knots and relieves stress and tension.

### 4 PROFESSIONAL MASSAGE TECHNIQUES

Target any of the four expert massage techniques to your back's own trouble spots, for powerful, therapeutic relief. Massage techniques include Rolling, Kneading, Percussion and Kneading + Percussion.
