Robotic Massage® Chair

## Love at first seat.

It's true - good things do come in small packages. In fact, great things come with the ergonomically designed, smart-form Human Touch® iJoy-2310 Robotic Massage® chair. This amazing chair's beauty goes well beyond skin deep, and you don't need deep pockets to enjoy a fantastic massage whenever you want.

Kick back in the iJoy-2310, pull the recline handle and enjoy any of three intelligently designed invigorating auto-massage programs which incorporate four expert massage techniques to melt away stress, muscle soreness and tension. This amazing chair looks just as amazing as it makes you feel. Choose from designer colors and options with classic lines and contrasting upholstery materials designed to fit any decor.
